SUBJECT Italian Delegates to the British
Party Congress
25X1A

DIST. 13 February 1947

ORIGIN [REDACTED] 25X1A

PAGES

SUPPLEMENT

SOURCE

1. It is reported that as of 4 February no decision had been reached by the Italian Communist Party regarding its delegates to the British Communist Party Congress.
2. Antonio Pescati and Umberto Terracini have been mentioned in party meetings as probable representatives. However, it has been pointed out that pro-Russian elements in the Party have been restricting the degree of participation of the so-called Nationalist Communists headed by Terracini.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
